

Refund Policy for Backpacking Programs

There is an enormous amount of preparation that is required for each class within every backpacking program, especially the overnight trip. The payments for this program go towards supplies, food, camp reservations, and other items that can not be refunded, so please consider your commitment to this program before paying and reserving a spot. Thank you!

- 75% of program value can be refunded up until 14 days prior to the first class.
- 40% of program value can be refunded up until the start of the second class.
- Once the second class has begun, no refunds will be offered.
- If student/family chooses not to participate in the overnight trip, but will be participating in the day classes, the cost will be 80% of the total.
 - Ventures Outdoor Education must be notified of this choice 14 days prior to the date of first class, or program must be paid in full, even if student does not partake in the overnight trip.
- There will be no refunds given if student/family chooses for any reason not to participate in the overnight trip once the time period listed above has passed.
